## An Act to Reject the New England Clean Energy Connect Transmission Project

**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. Amend Order.** Within 30 days of the effective date of this legislation and pursuant to its authority under the Maine Revised Statutes, Title 35-A, section 1321, the Public Utilities Commission shall amend the “Order Granting Certificate of Public Convenience and Necessity and Approving Stipulation” entered by the Public Utilities Commission on May 3, 2019 in Docket No. 2017-00232 for the New England Clean Energy Connect (NECEC) transmission project. The amended order shall find that the construction and operation of the NECEC transmission project is not in the public interest that there is not a public need for the NECEC transmission project. There not being a public need, the amended order shall deny the request for a Certificate of Public Convenience and Necessity for the NECEC transmission project.
